Re: *Ex Parte* Presentation, CC Docket No. 96-115

Dear Ms. Dortch:

On June 20, 2013, on behalf of CTIA – The Wireless Association, I had a brief telephone conversation with Chief of Staff Michele Ellison regarding the Commission’s proceeding on privacy and security of information stored on mobile communications devices (“CPNI proceeding”).

I suggested to Ms. Ellison that, given the Public Notice and the state of the record in this proceeding, it would be unwise for the Commission to make any pronouncements regarding enforcement policy that could unintentionally hinder ongoing efforts to develop voluntary commitments regarding privacy and other matters. I explained my view that such pronouncements at this time were unnecessary, and more likely to create to confusion than to provide clarity.

Pursuant to Section 1.1206 of the Commission’s rules, this letter is being electronically filed via ECFS with your office and a copy of this submission is being provided to Ms. Ellison. Please let me know if you have any questions regarding this filing.

Sincerely,

/s/ Scott Blake Harris
